

## COMPLETE MED SCHOOL AT UMHS. PRACTICE IN THE U.S.

### WHY TRANSFER TO UMHS?

UMHS offers better outcomes for half the tuition of other offshore medical schools. Here, you'll enjoy individual attention from our dedicated faculty as they teach you our traditional curriculum, which incorporates both the basic and clinical sciences. You'll also benefit from learning on one of the most state-of-the-art medical school campuses in the Caribbean. We make it easy for you to transfer without losing momentum. In fact, we accept transfer credits and welcome students into our program through the fifth semester!

At UMHS, your success comes first. Our results confirm it.

### LEARNING IN ST. KITTS

At UMHS, you'll have the chance to spend your weekdays in our cutting-edge facilities and then, in your down time, escape to breathtakingly beautiful white sand beaches.

### TRADITIONAL CURRICULUM

Modeled after the best medical schools in the United States, our rigorous curriculum is designed to prepare you for licensure in the U.S. It features both a basic and clinical science program.

### TRANSFER CREDITS

We accept transfer credits for applicants from similar MD programs, on a per-case basis, through the fifth semester of study.

### SUPPORTIVE FACULTY

Our faculty members are experienced, highly credentialed, recruited primarily from the United States, and dedicated to helping you succeed. Our low ratio of students to faculty and small class sizes make it easy for you to work closely with them.

### ACCM ACCREDITATION

The University is accredited by the Accreditation Commission on Colleges of Medicine (ACCM), which has adopted U.S. standards of accreditation and is recognized by The National Committee on Foreign Medical Education and Accreditation (NCFMEA), a division of the U.S. Department of Education.

“UMHS FELT LIKE THE RIGHT FIT BECAUSE OF THE WELCOMING STAFF AND AMAZING FACILITIES. THE SCHOOL PROVIDES STUDENTS WITH THE EDUCATION AND TOOLS TO SUCCEED AND MATCH INTO A RESIDENCY.”

### DR. ELIZABETH NIELSEN, CLASS OF '16

With guidance from UMHS' Clinical Department, Dr. Nielsen, a native of Bloomington-Normal, IL, recently landed an Internal Medicine Residency at Southern Illinois University School of Medicine and affiliated hospitals in Springfield, IL.

## HOW TO TRANSFER TO UMHS

To be considered for admission with advanced standing, you must:

- ✓ Complete the UMHS application for admission, including personal essay
- ✓ Meet all prerequisite requirements
- ✓ Provide all transcripts from prior medical school(s), and undergraduate and graduate programs
- ✓ Submit two letters of recommendation
- ✓ Supply MCAT results (if applicable)
- ✓ Pay the application fee

Note: You may also be required to submit a dean's letter and other documents from previous medical schools.

## QUESTIONS ABOUT TRANSFERRING?

At UMHS, we're dedicated to your success, and we're here to help make the transfer process easy. Please don't hesitate to inquire about everything from visas and housing options to the credit-transfer process and graduate career placements.
